# CHARTING SUCCESS TOGETHER

## Careers in HIM

We are dedicated to protecting health information which is critical to healthcare evolution. Our people work at the intersection of healthcare, technology, and business. MaHIMA is the state component of AHIMA, a global nonprofit association representing health information professionals who work with health data for more than one billion patient visits each year.

## Our Mission

Leading Massachusetts in the advancement and ethical use of quality health information through collaboration and contributions of health information management professionals. MaHIMA's primary purpose is to commit to excellence in the management of health information for the benefit of patients and providers.
