

MaHIMA - President's Message

April 2026

MaHIMA President - Amy Bittle, RHIA

Spring has sprung or at least trying!

We have some exciting events happening and hope that you will join us.

I want to share an opportunity to contribute to MAHIMA at our annual Strategic Planning session on May 1st lead by our President Elect, Karen Bogard. We hope you will participate and share your ideas for MAHIMA's future and earn 2 free CEU credits!

Our Annual Conference registration is now open. We will again be at the Hogan Center at Holy Cross in Worcester MA on June 11th. We have an exciting full agenda, including keynote Micky Tripathi and others as well as engagement opportunities. Registration is now open. I encourage you to register and join us in person. It's a great opportunity to reconnect and meet new Health Information professionals from across the state.

Looking farther ahead, our education committee is planning sessions for the Fall Conference and beyond. We want to continue to bring you quality education that is of interest to you. Our education offerings are what keep MAHIMA going and we cannot do this without our members' support. Please submit any topic or presenter ideas to centraloffice@mahima.org. We would love to hear from you.

Happy Spring – I hope to see you in June!
