**FY 2026 NTAP**

This webinar offers essential guidance for coding and revenue cycle professionals to ensure appropriate Medicare reimbursement for innovative medical technologies. Attendees will understand the NTAP program's payment structure, be able to implement a comprehensive 10-step success plan, and learn how to locate the ICD-10-PCS codes for these innovative drugs, devices, and procedures. The complete FY 2026 NTAP list will be part of the handouts received with this webinar.
